Yes. We have monthly visitors to speak with the children and a librarian from Porter Library comes out to our school monthly to share storytimes with the students.

Yes. If a teacher does not have a teaching degree, she becomes certified through the State of Ohio.

All teachers undergo background checks, both BCI and FBI

**What type of security do you have?**

Your child's safety is our primary concern! Our doors are kept locked throughout the day, and parents must be let in by a teacher/staff member. Our first floor classrooms allow us a full view of our parking lot so that we can see visitors as they pull in to our area. Additionally, the building has surveillance cameras/motion detectors throughout the facility.

**Will my child learn the necessary skills to be prepared for kindergarten?**

Yes! Your child will be very well prepared for kindergarten and beyond! Best Beginnings is proud to have educated the children of many teachers, principals and school superintendents! We pride ourselves on having happy parents!

**Do you have curbside pick up/drop off?**

Yes, teachers escort the children to and from their cars each day --- rain, snow or shine!

**Is there parent involvement?**

Parents are encouraged to take an active role in their child's learning! While parents are not required to become involved, we do offer many activities to do so throughout the year.
